Dear Seattle Ethics and Elections Commission,

It has come to our attention that both campaigns are over the \$300,000 spending limit threshold, per the data below.

As a result, the Mosqueda campaign would like to submit for release from the contribution limit, per Section F: Remedies for Exceeding Campaign Spending Limit, “where SEEC deems the excess material it shall allow such candidate to choose to be released from the Campaign Spending Limit and campaign contribution limits for the Program.”

We appreciate your consideration in this matter.

Many thanks,  
People for Teresa Mosqueda
