Homeless Investments to Serve American Indians and Alaska Natives

2020 Request for Proposal

	Program Area	Question	Answer
1	Homeless Investments to Serve AIAN	Is the \$1 million RFP for AI/AN homelessness retroactive to January 1, 2020 or does it start April 15? I'm working on our budgets and need to understand the period of the contract.	\$1M is available for all of 2020. Budgets should be written to show a full year's of expense and revenue (January-December 2020), however funding will not be available until the contract start date, scheduled for April 15, 2020, and grantees will not be able to reimburse expenses made prior to the contract start date. HSD will work with grantees to reallocate funds during the year if needed.
2	Homeless Investments to Serve AIAN	Is there any consideration about extending the due date for the RFP due to the COVID-19 outbreak?	At this time, there are no plans to extend the due date. Please check back at the website and/or with the funding process coordinator for any changes or additional updates.
3	Homeless Investments to Serve AIAN	Will the contract be retroactive to Jan 2020 or not?	The contract will not be retroactive. Please see question #1 for additional details.
