Removal of a tree

Staff report: The tree removal is an early project of the Prefontaine Fountain rehabilitation project. At the last briefing the Department of Parks and Recreation noted that a tree was in poor condition and needed to be removed now instead of waiting for the final design of the project. The tree is not a street tree or a Heritage tree.

#### **Draft Motion:**

I move to recommend granting a Certificate of Approval for removal of a tree. All per the applicant's submittal.

The Board directs staff to prepare a written recommendation of approval based on considering the application submittal and Board discussion at the April 16, 2025 public meeting and forward this written recommendation to the Department of Neighborhoods Director.
