I. RECOMMENDED CONTROLS

To assure the preservation of the specified features and characteristics of the landmark, the owner (Owner) of the Baker-Linen Building at 1101 E. Pike Street, a landmark designated by the City of Seattle Landmarks Preservation Board, and the City of Seattle Historic Preservation Officer on behalf of the City of Seattle Landmarks Preservation Board, agree that the following controls shall be imposed:

A. CERTIFICATE OF APPROVAL PROCESS

1. A Certificate of Approval, issued by the City of Seattle's Landmarks Preservation Board pursuant to Seattle Municipal Code ("SMC"), Ch. 25.12, must be obtained, or the time for denying a Certificate of Approval application must have expired, before the Owner may make alterations or significant changes to:
 - a. The exterior of the building.
2. A Certificate of Approval application is not required for the following:
 - a. Any in kind maintenance or repairs of the features or characteristics listed in Section I.A.1 of this Agreement.
 - b. Repainting or replacement of the existing freight elevator door, and painted signage on this door.
 - c. Café furniture and the installation of associated railings that may be attached to the sidewalk.
 - d. Installation or removal of interior, temporary window shading devices that are operable and do not obscure the glazing when in the open position.

B. ADMINISTRATIVE REVIEW

1. Administrative (Landmarks staff) review and approval of Certificate of Approval applications is available for the following items listed in SMC 25.12.720.B and any additional items listed in Section 1.B.3. The Owner shall submit a Certificate of Approval application to the City Historic Preservation Officer (CHPO) and it shall be reviewed in accordance with the Certificate of Approval process set forth in SMC 25.12. If the CHPO, upon examination of the submitted application, determines that such alterations are consistent with the purposes of SMC 25.12, the alterations shall be approved without the need for any further action by the Board, and the CHPO shall notify the Owner of that determination.
2. If the CHPO determines that such alterations proposed in the Certificate of Approval application are not consistent with the purposes of SMC 25.12, the CHPO will notify the Owner. The Owner may submit revised materials to the CHPO, or request consideration by the Landmarks Preservation Board.
3. Administrative review of Certificate of Approval applications is available for the following:
 - a. Emergency repairs or measures (including immediate action to secure the area, install temporary equipment, and employ stabilization methods as necessary to protect the public's safety, health, and welfare) to address hazardous conditions with adverse impacts to the building or site as related to a seismic or other unforeseen event. Following such an emergency, the owner shall adhere to the following:
 - 1) The owner shall notify the City Historic Preservation Officer within 24 hours, and document the conditions and actions the owner took.
 - 2) If temporary structural supports are necessary, the owner shall make all reasonable efforts to prevent further damage to historic resources.
 - 3) The owner shall not remove historic building materials from the site as part of the emergency response.
 - 4) In consultation with the City Historic Preservation Officer and staff, the owner shall adopt and implement a long-term plan to address any damage through appropriate solutions.

II. RECOMMENDED INCENTIVES

The following economic incentives may be available to the owner.

1. Seattle Municipal Code Title 23 provides for authorization of uses in a designated Landmark that are not normally permitted in a particular zoning classification by means of an administrative conditional use approval.
