

Seattle Children's IAC Meeting

Transportation Updates

June 26, 2024

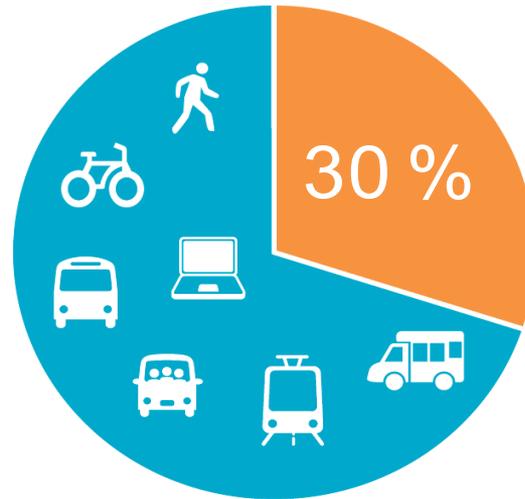

Seattle Children's®

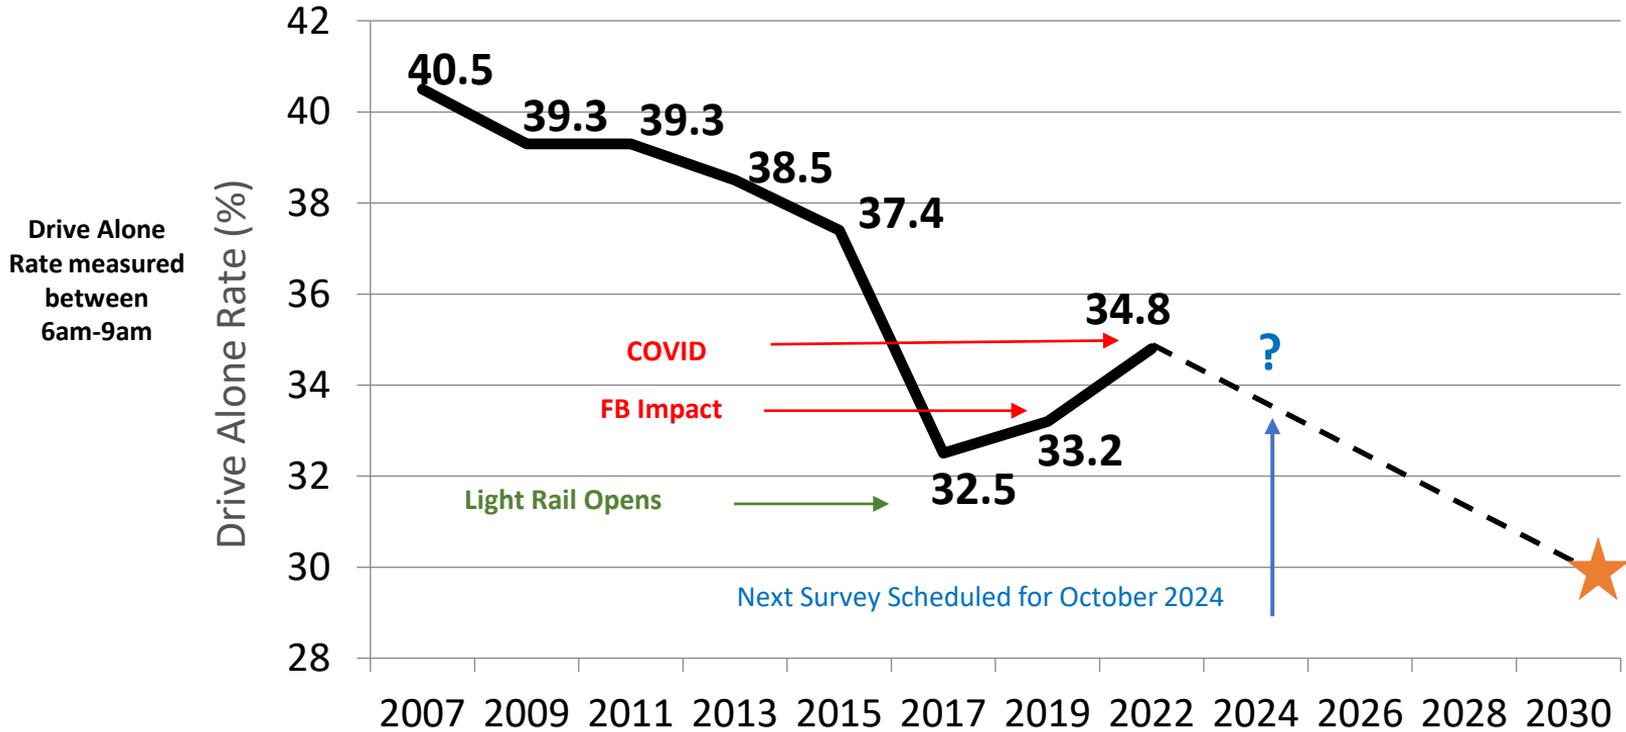

Transportation Overview

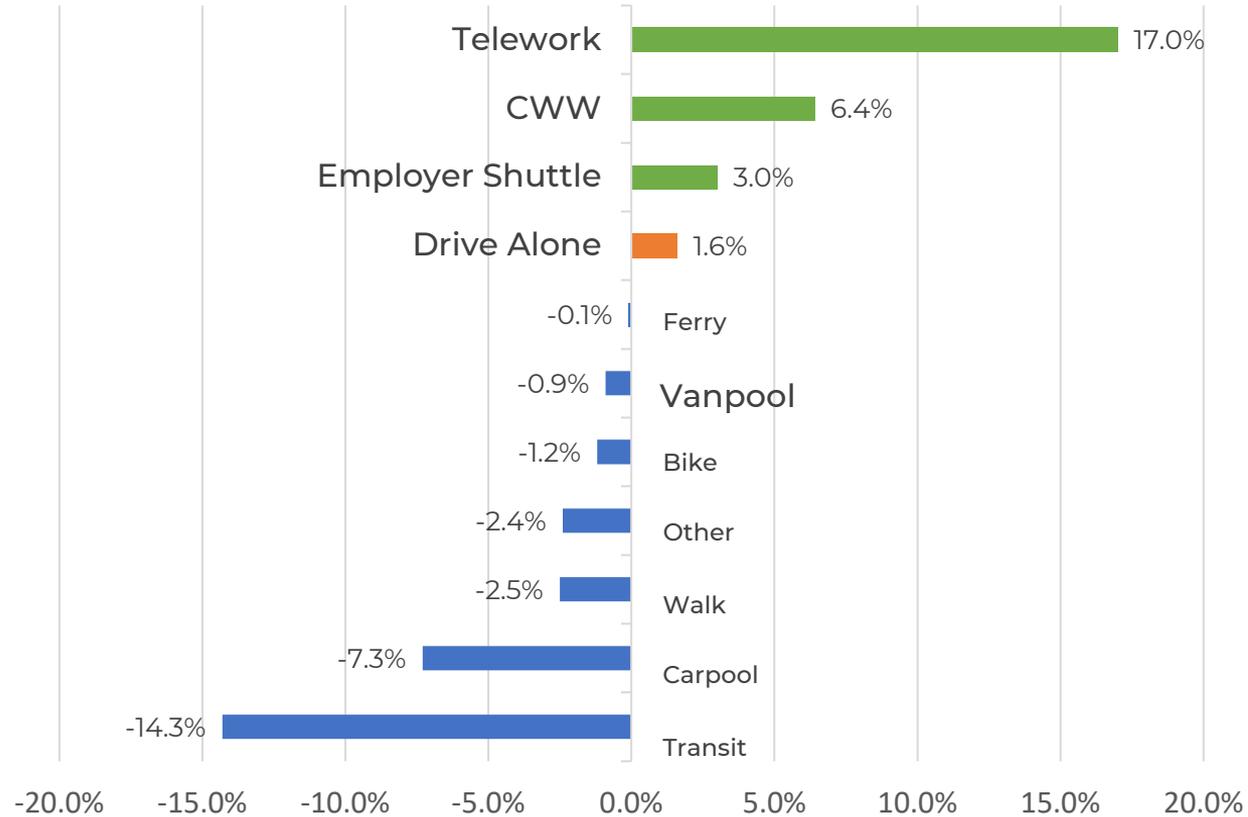

- Achieve a 30% Drive Alone Rate (DAR) mode split, at complete build out
- Achieve this through application of policies, programs, incentives
- Conduct a Commute Trip Reduction (CTR) Survey every two years to benchmark progress

Hospital MIMP Drive Alone Rate & 2022 Performance to 30% Goal

Hospital Percent Change by Mode, 2019-2022

CTR Affected Employees at Hospital Location, 2019, 2022

2023 Annual Report Highlights

March 2023 Federal and State Covid Mandates Lifted

- Transitional period to determine new normal

Strengthen Programs

- Maintained robust telework/remote work program
 - Formal shift to remote work for administrative positions; remote 3 days/wk
 - Shifted other administrative staff from hospital to locations downtown
- Resumed parking rates consistent with MIMP requirements
- Maintained free ORCA transit pass to encourage transit use
- Children's Shuttle system remains adaptive
 - Dynamic demand so constantly right sizing
 - Purple Line to the U-District replaced Metro's route 31/32

Street Parking Enforcement

- Street parking not permitted in neighborhoods surrounding the hospital campus
- Frequent standard reminders announcements to leaders and workforce
- Conduct multiple standard parking enforcement patrols per week
- Targeted response to “hot spots” submitted to Construction@SeattleChildrens.org
- Vehicle data collected in field by photo and cross referenced in-office
 - Tickets are applied through email and electronically
- Average 2-3 citations a day
- Note: Many workforce members live in the neighborhood

Sound Transit: Link Light Rail Expansion

Link Extensions – Recent & Pending

- 2021 U-District, Roosevelt, Northgate
- 2024 April: East Link Extension
- 2024 August: Lynnwood Extension
- 2025 TBD: East Link connection to Seattle
- 2026: Federal Way Extension

Lynnwood Extension

- Lynnwood
- Mountlake Terrace
- Shoreline @ 185th
- Shoreline @ 148th

Metro Transit Improvements

Metro Last Mile Connections to the Hospital

- Significant transit improvements
- Route 65 and 75 long standing
- Route 31/32 across NE 45th improved connections and frequency of service

All day service and 15 minute frequencies

Any Questions?
