**Seattle Department of Neighborhoods**

---

**Q12** Meeting Themes / What we heard: Record some of what you heard at the event. Be clear about whether the theme is an individual point of view or an observation / summary from a group. Limit this to 5-7 themes. For more guidance, check out these tips on how to summarize.

- City of Seattle and Sound Transit presented together on the Sound Transit 3 project at the Seattle Youth Commission.
- About a quarter of the commissioners had heard about the ST3 project before.
- ST presented on high level timeline, project, and phases of work. City of Seattle talked about our guiding principles, ways community can shape, and ST & City roles in the project.

Themes from Question and Answer/Feedback from Participants

- Safe multimodal connections and access to the station
- Connecting to community with current poor access to transit
- Connections from the future station to existing amenities like parks
- City and Sound Transit will be coordinating planning efforts for nearby projects, including Ballard Bridge
- Station area planning strategies that are inclusive and early in the process
- Concerns about financing ST3 due to I-976
- Elevators and Escalators working property
- Property acquisition
- Parking
- Retaining Gemenskap Park
- Tunnel- no fixed bridge
- Concerns about at grade crossings
- Center platform station
