Partial Certification Memo

OIG has reviewed the investigation for case 2022OPA-0388. During our review it was determined that the notice of receipt of complaint was not sent within five business days of receiving the complaint, as is required by collective bargaining agreements of Named Employees within the case. Specifically, the case was received 11/15/2022, but notification was not sent until 12/14/2022.

Accordingly, OIG can certify this case as thorough and objective, but not timely.

Respectfully,

Payton Schenck
