## **Partial Certification Memo**

OIG has reviewed the investigation for case 2023OPA-0069. While conducting our review it was determined that the 30-day classification notice to the Named Employees, required by the Seattle Police Officers' Guild's Collective Bargaining Agreement, was sent approximately two months after the 30-day classification window passed.

Accordingly, OIG can certify this investigation as thorough and objective, but not timely.

Respectfully,

*Payton Schenck*
