Re: OIG EXP INV Certification for Case Number: 2023OPA-0259

OIG EXP INV Certification Memo with Note

OIG has reviewed the EXP INV for case number 2023OPA-029. The investigation is certified as thorough, timely, and objective.

NOTE: OIG noted what appeared to be an unauthorized search on BWV, OIG requests OPA be attentive to potential violations beyond those articulated in initial complaints.

Respectfully,

Mary Prang
