## **OIG Certification Memo with Note:**

OIG has reviewed the investigation for case number 2021OPA-0092. The investigation is certified as thorough, timely, and objective.

NOTE: Per previous discussions with OPA, OIG has yet to review surveillance videos from the Hyatt and from the light rail. Lack of review will not impact the certification moving forward considering the time constraints, however the addition of those files will make the IAPro file more complete.

Respectfully,

*Mary Prang*
