

**PUBLIC SAFETY CIVIL SERVICE COMMISSION
FINAL EXAMINATION BIBLIOGRAPHY FOR FIRE LIEUTENANT 2025**

FINAL: 12/6/2024

The exam application filing dates will be **December 31, 2024 – January 14, 2025**. The written examination for Fire Lieutenant will be held on **Saturday, March 8, 2025**, at a location to be determined.

NOTE: New reference material issued after December 6, 2024, will NOT be included on the written examination portion of the process.

Candidates who pass the written examination will be scheduled for the oral board portion of the examination (assessment center), tentatively scheduled for **May 17- 18, 2025**. Candidates may need to attend more than one day during this period.) *NEW* for Fire promotional examinations, the PSCSC updated Rule 9.12, which means candidates must achieve a passing score on the oral boards to be placed on the Register.

Please see the “Outline of the Command Job” for the general scope of the promotional examination. The assessment center examination exercises will be based on the 1) skills and abilities identified by the job analysis as critical for successful job performance as a Fire Lieutenant, 2) information from the Promotion Development Committee who serve as subject matter experts, and 3) reading materials in the bibliography. Therefore, the assessment center topics are not limited to materials on the bibliography.

Please contact the Seattle Department of Human Resources Fire & Police Exams Unit (yoshiko.gracematsui@seattle.gov) if you have any questions on the bibliography or the exam process.

[You may access many of these resources in pdf format on the Fire Exams Sharepoint.](#)

A bibliography of study material on which the written examination will be based includes the following:
