

Your input is important to us!

# Warren G. Magnuson Park Junior League of Seattle Playground Renovation

Seattle Parks and Recreation invites you to participate in improvements at Magnuson Park! At this meeting the design team will be sharing more detailed conceptual plans including design themes for the play area and equipment. The team will also present a design theme for the splash pad and public restroom next to the play area, and a design for a new picnic shelter north of the Magnuson Boat

Launch. We look forward to hearing which design theme you, your family and your neighbors like for the play area and splash pad. Also, you can let the design team know if there are any other features or park amenities you would like to see included in this project.

**We look forward to hearing from the community and encourage everyone to participate in these exciting updates at Magnuson Park.**

**JOIN US! OPEN HOUSE**  
**TUESDAY, DECEMBER 12, 2023**  
**6 TO 7:30 PM**

MAGNUSON COMMUNITY CENTER – MULTIPURPOSE ROOM, 7110 62ND AVE. NE

Please take the project survey!

**What play equipment types and colors would you like to see?** <https://seattle.surveymonkey.com/r/MagJrLeague>
