

Your input is very important to us!

WARREN G. MAGNUSON PARK JUNIOR LEAGUE OF SEATTLE PLAYGROUND RENOVATION

Seattle Parks and Recreation invites you to participate in the Junior League of Seattle Playground renovation project.

This project will renovate the existing play area which will include replacement of equipment, improvements to accessibility, and a new public restroom. In addition, this project will design a splash pad next to the playground, and a replacement concept for a damaged restroom north of the Magnuson Boat Launch.

At this meeting the design team will be sharing a site analysis along with potential play area styles and equipment. We look forward to hearing how the existing play area works for you and your family as well as, what improvements you would like to see.

Join Us at the Kick-Off Meeting!

PUBLIC MEETING — PROJECT KICK-OFF

THURSDAY, AUGUST 3, 2023, 6:00 - 7:30 P.M.

Magnuson Community Center – Multipurpose Room, 7110 62nd Avenue NE

Please take the project survey!

What play equipment would you like?
