Magnuson Community Center, 7110 62nd Avenue NE

Seattle Parks and Recreation invites the community to meet the design team and view design concepts for dedicated pickleball courts. The project site is at the former Children's Hospital park-and-pool lot located to the north of NE 65th Street. The budget for this project allows for the construction of 8-10 courts with lighting by the end of 2026. A park master plan will be amended to allow for at least 16-18 courts with an ultimate buildout of 24 lighted courts. No SPR funding is allocated at this time for additional courts, so it is anticipated that grants and/or donations will be needed.
