A NEIGHBORHOOD GREENWAY IS COMING TO YOUR NEIGHBORHOOD!

The following street improvements will begin as soon as spring 2024:

- Speed humps or cushions to calm traffic
- Upgrades at the intersection of S Myrtle Pl and S Holly Park Dr including a bike crosswalk, turning boxes, and other bike facilities
- Stop signs with stop bars on side streets intersecting the Neighborhood Greenway
- Tree trimming and sidewalk smoothing
- Wayfinding signs and markings

Improvements will occur at the following locations 1) S Holly Park Dr from S Myrtle Pl to 40th Ave S, 2) 39th Ave S from S Holly Park Dr to S Kenyon St, 3) 40th Ave S between S Holly Park Dr and S Holden St, and 4) S Holden St between 40th Ave S and 39th Ave S.

We are excited to announce that we are **starting construction on the Wing Luke Elementary Neighborhood Greenway as soon as spring 2024!** We will be installing the Neighborhood Greenway in stages, starting this spring and finishing in 2024.

Overview

The Wing Luke Elementary Neighborhood Greenway will provide a safer, calmer route to the places people want to go in the neighborhood and connect to the growing network of Neighborhood Greenways, trails, and protected bike lanes in Seattle. This Neighborhood Greenway has been planned in coordination with the Safe Routes to School Program and will provide a safer, more comfortable route for people walking and biking to Wing Luke Elementary School. The planned Neighborhood Greenway route also connects to the existing Neighborhood Greenway on S Kenyon St.

WHAT TO EXPECT DURING CONSTRUCTION:

Typical construction hours are weekdays, 7 AM to 5 PM, with occasional weekend and night work. Other expected construction effects may include:

- Temporary driveway impacts
- Noise and vibration
- Dust and debris
- Construction staging and parking impacts near the work sites
- Parking impacts
- Crosswalk and sidewalk closures, and detours for people walking and biking
- Roadway closures and detours for vehicle traffic
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)

Visit our webpage to learn more about this project and our anticipated construction schedule.

WHAT IS A NEIGHBORHOOD GREENWAY?

Neighborhood Greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority. The Wing Luke Elementary Neighborhood Greenway will include speed humps or cushions, upgrades at the intersection of S Myrtle Pl and S Holly Park Dr, stop signs with stop bars on side streets intersecting the Neighborhood Greenway, tree trimming, sidewalk smoothing, and wayfinding signs and markings.
