

## NE 135th St Neighborhood Greenway

### Notice of upcoming culvert work for the NE 135th St, scheduled for early December

We will be constructing a culvert at the open drainage ditch and paving the surface to enhance access for bicycles and pedestrians. This work will take place on December 9th and the work duration expected to be 2-3 weeks. Here's what you need to know:

- **Staging Areas:** Both sides of the ditch will be utilized, with no parking signs indicating restricted parking zones.
- **Driveway Access:** Access will remain open, though there may be brief disruptions as trucks maneuver in and out of the area.
- **Pathway Closures:** Walkers and bikers should anticipate temporary closures of pathways during construction.

Visit our project website for more information and updates

### WHAT TO EXPECT DURING CONSTRUCTION

- Typical weekday work hours of 7 AM – 5 PM, Monday through Friday
- Noise and vibration
- Dust and debris
- Changes in construction schedule due to unforeseen circumstances (i.e., weather, soil conditions, etc.)
