

Laami dhigista iyo hagaajinta baska ee 30th Ave NE

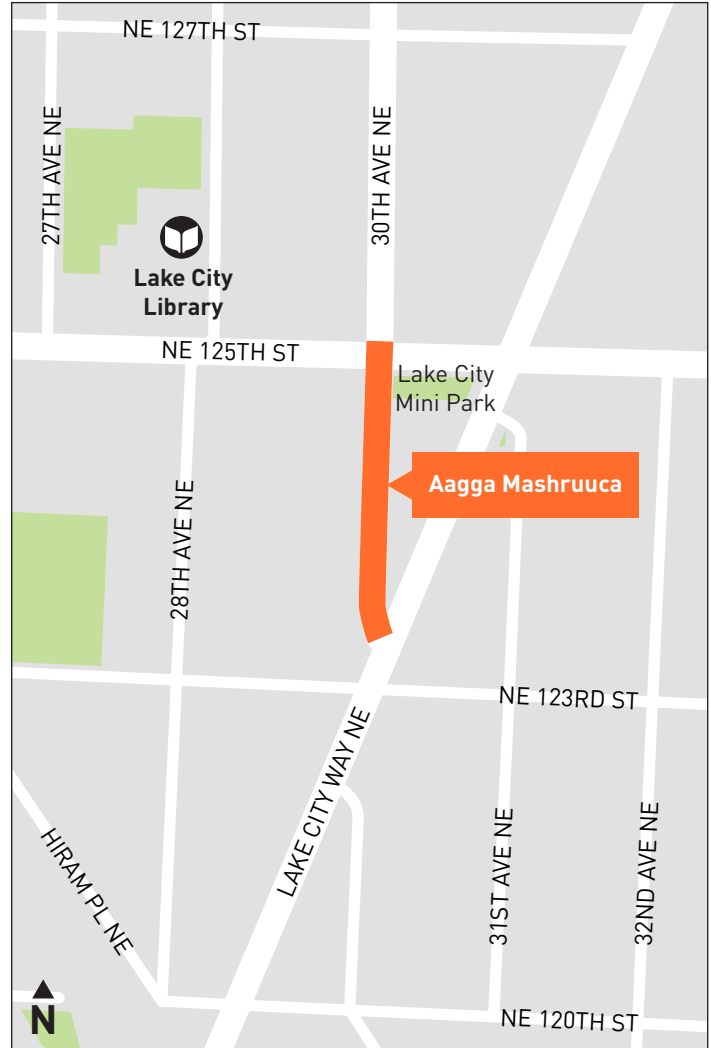

Dulmarka Mashruuca

King County Metro waxa ay ku daraysa waddo bas oo cusub si ay dadka uga caawiso in ay tagaan Saldhiga mustaqbalka Sound Transit ee Pinehurst (oo hore u ahaa NE 130th St Infill Station). Jidka cusub ee 77 wuxuu ku xidhi doonaa dadka ku nool Haller Lake, Pinehurst, Victory Heights, Olympic Hills, Jackson Park, iyo xaafadaha Lake City saldhiga wuxuna ka caawin doona Dadka inay tagaan xaafadooda.

Si aan ugu diyaargarowno adeegan cusub ee baska, waxaanu hagaajinaynaa 30th Ave NE inta u dhaxaysa NE 125th St iyo Lake City Way NE. Horumarka soo socda wuxu ka dhigi doona wadada mid badbaado u leh oo u fududaynaysa dadka socodka, baaskiilka, rogrogista, iyo raacitaanka baska:

- Dib u hagaajinta wadada si wax looga qabto xaaladaha laamiyada liidata iyo in la hubiyo in ay taageeri karto miisaanka baska
- Dhinaca lugta oo cusub oo dhinaca bari ah ee 30th Ave NE iyo Lake City Way NE
- Ramps ka cusub ee ADA lee la heli karo
- Jid goys la cusboonaysiiyay oo loogu talagalay dadka lugeynaya iyo kuwa ku rogmanaya jid goyska NE 125th St iyo Lake City Way N
- Hagaajinta Biyo mareenada

Si loo habeeyo dhaqdhaqaaqa baska, waxaan u baahanahay inaan ka saarno baarkinka dhanka galbeed ee wadada. Waxan ku rakibi doonaa Qaybta lugaynta oo dhinaca bari ee Jidka ah oo leh meel ku dheggaan oo geedo leh, baarkinka wadada oo la siman, iyo aag xamuulka laga qaado.
