

30th Ave NE Paving and Bus Improvements

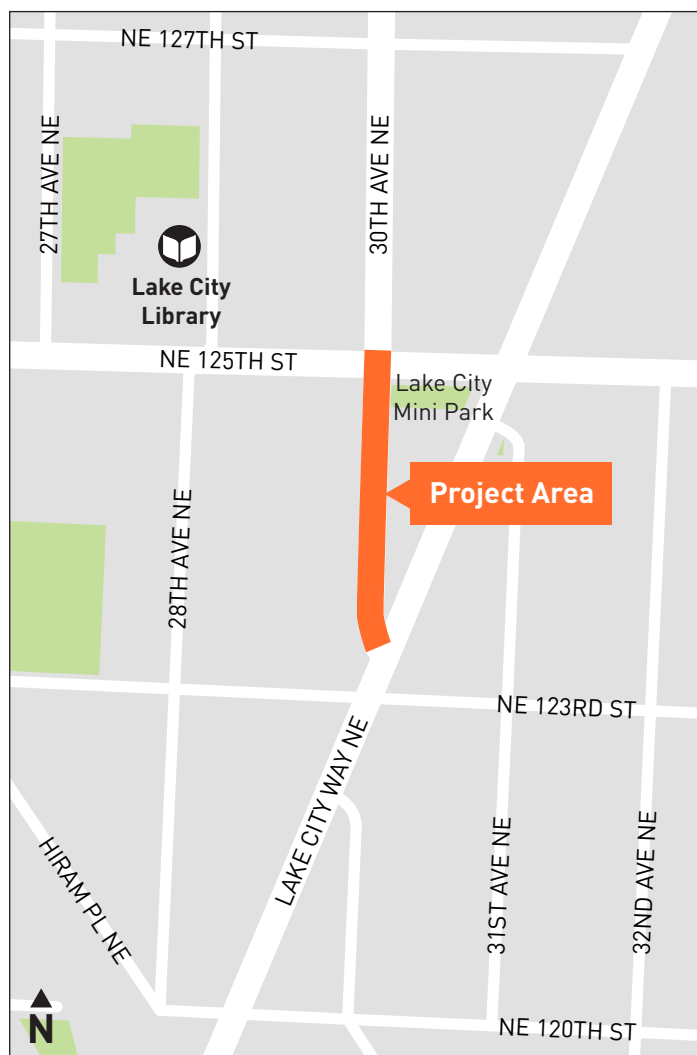

Project Overview

King County Metro is adding a new bus route to help people get to Sound Transit's future Pinehurst Station (formerly the NE 130th St Infill Station). The new Route 77 will connect people in the Haller Lake, Pinehurst, Victory Heights, Olympic Hills, Jackson Park, and Lake City neighborhoods to the station and help them get around their neighborhoods.

To prepare for this new bus service, we are making improvements on 30th Ave NE between NE 125th St and Lake City Way NE. The following improvements will make it safer and easier for people to walk, bike, roll, and take the bus:

- Repaving the street to address poor pavement conditions and ensure it can support bus weights
- New sidewalk on the east side of 30th Ave NE and Lake City Way NE
- New ADA-accessible curb ramps
- Upgraded crossings for people walking and rolling at the intersections of NE 125th St and Lake City Way N
- Drainage improvements

To accommodate bus movements, we need to remove the existing street parking on the west side of the street. We will install a new sidewalk on the east side of the street with an adjacent planting strip with trees, parallel street parking, and a load zone.
