PARK(ING) DAY LAYOUT REMINDERS

Keep in mind that pop-up parks:

- Must be located at least 40' from any bus zone
- Must be located at least 5' from an alley or driveway
- Must include at least seven 36" orange cones /posts for arterials and five for non-arterial streets
- Must have cones / posts linked together with rope, streamers, banners, etc., to demarcate the perimeter
- May NOT include: amplified sound, point of sale, distractions for drivers such as balloons, flashing lights, canopies, etc.
- Must adhere to parking restrictions (Example: No Parking 4-6 pm)
