

CONSTRUCTION NOTICE

April 11, 2019

35th Ave SW/SW Dawson St: Construction resumes next week

PROJECT OVERVIEW

Work is resuming at 35th Ave SW and SW Dawson St as soon as the week of April 15 to install crossing improvements. This work is weather dependent and schedule is subject to change.

To complete the work safely and efficiently, we will work on one side of the street at a time. The west side of the intersection will be closed to through traffic; to maintain access to Camp Long, the east side of the intersection will maintain 1 lane.

Once the signal poles arrive from the manufacturer, we will return to install them. The new crossing improvements will enhance safety and access for people walking, biking, and driving along 35th Ave SW.

Thank you in advance for your patience during this work!

WHAT TO EXPECT

During this work, please expect:

- Temporary changes to SW Dawson St access
- Temporary and intermittent traffic and lane restrictions and/or pedestrian detours; signage and flaggers to direct people around the work zone
- Equipment, materials, and noise near the project area
- "No Park" signs in work area 72 hours in advance of work
