

## DEAR RESIDENT,

In Seattle, recyclables and food waste are not allowed in the garbage. Please put those materials in the correct place:

**Recycle**

**MUST be EMPTY, CLEAN & DRY**

- 1 Paper
- 2 Cardboard — **flattened**
- 3 Plastic bottles & containers
- 4 Metal cans
- 5 Glass bottles & jars

**No Plastic Bags**

The banner features a blue background with a white recycling symbol and the word 'Recycle' in white. Below the title is a list of five items that can be recycled. To the right, there is an illustration of various recyclable items: a newspaper, a metal can, a glass bottle, a plastic bottle, a yogurt container, and flattened cardboard. A red 'no' symbol is placed over a plastic bag, with the text 'No Plastic Bags' next to it.

Place your clean recyclables into the **recycle chute or blue recycle containers**, located here:

**Compost**

- 1 Food scraps
- 2 Pizza boxes, napkins & paper towels
- 3 Compostable bags
- 4 Compostable food packaging
- 5 Yard waste & plants

**No Plastic Bags** **No Pet Waste**

The banner features a green background with a white composting symbol and the word 'Compost' in white. Below the title is a list of five items that can be composted. To the right, there is an illustration of various compostable items: a pizza box, a banana peel, a fish skeleton, a bunch of sticks, a piece of paper towel, and a piece of food packaging. Two red 'no' symbols are placed over a plastic bag and a pile of pet waste, with the text 'No Plastic Bags' and 'No Pet Waste' next to them.

Place your compostable items into the building's **green compost carts**, located here:

**By properly sorting your waste, you help the environment, reduce climate pollution, comply with Seattle law & could even help reduce the building's waste collection costs!**
